

TRIBU'

Our dream has always been to inspire people with our furniture. To offer that little something extra that elevates design from the ordinary to the extraordinary. We value the time we spend together as a family and the special atmosphere that good design, with every detail in harmony, helps to create.

Today Tribù is one of the oldest fully family-owned manufacturers of high-end outdoor furniture in the world. Our independence gives us the freedom to pursue our own strategy. As innovators, it is our passion to develop beautiful and timeless outdoor furniture that meet demanding standards, creating places to relax and leave the daily stress behind.

We hope to inspire you with this catalogue and our furniture. Love it, live it, share it!

# SENJA SOFA

Curl up and relax on the modular Senja sofa. Combine a one-, two- or three-seater module with high or low arms and keep everything you need to hand with an integrated table, console or side table in teak or glazed lava stone. With a choice of two seat depths and numerous weather-resistant fabrics, Senja lets you create the sofa you want, tailored to your personal style.

SENJA SOFA SET 19 WITH COFFEE TABLE & MERIDIENNE RIGHT WITH SIDE TABLE IN TEAK. CUSHIONS IN LINEN, DECO CAMDEN MANDARIN, CAMDEN CARMINE RED, RUSTIC WEAVE BROWN & RUSTIC WEAVE CORD. HEXAGON LOW & HIGH WITH LINEN TOP. NOMAD EASY CHAIRS WITH CUSHION IN RUSTIC WEAVE CORD. OUTDOOR RUG IN WENGÉ.

MONICA ARMANI

# TAO

The elegant Tao table collection is a lesson in perfectly balanced contrasts – bold sculptural pedestals and slim table tops that are pleasing to the touch. The use of refined lightened concrete gives the tables a look of elegant solidity. The Tao tables come in natural linen and warm wengé tones to create striking centrepieces for any setting.

PIERGIORGIO CAZZANIGA

CTR

The CTR collection is characterized by a tube in powdercoated stainless steel that follows its outline in one continuous line. With a lightness of touch the open weave of the backrest appears to float unsuspended around the upholstered seat. The CTR collection is a complex design created with an effortless, relaxed style.

YABU PUSHELBERG

# NODI

Light and airy, the Nodi chair's form and silhouette are characterized by twisted-interlaced rope in weather resistant Canax®, stretched across a precise geometric wireframe. Pared back, refined proportions and a minimalist approach to materiality lend a casual lightness to the collection. The slim profile of the arm is angled slightly inward in a welcoming gesture.

MONICA ARMANI

# REGISTA

Regista is a sophisticated reinvention of a design icon. The perfectly balanced director's chair combines high-tech materials and meticulous attention to detail. The lattice back has the natural look and tactile appeal of rope. It is handwoven using an innovative weather-resistant fibre, also used to cover the armrests. The legs are slim and elegant, yet very durable and strong.

MONICA ARMANI

# TOSCA

Tosca is the perfect mix of innovation and beauty, a collection as inviting to curl up in as it is intriguing to look at.

The giant weave in hi-tech 'knitting', soft to the touch and completely weather-resistant, is complimented by slim legs in powdercoated stainless steel. The soft, tonal contrasts between weave and frame adds to the discreet luxury.

# MOOD

Combining the natural beauty of high-quality plantation teak with a weave in refined grey or warm earthbrown Tricord, the Mood collection is styled with informal comfort and elegance.

The supple, weather-resistant Tricord straps are handwoven around curved aluminium back frames, complementing the glow of precision-cut teak, finished with gently rounded corners.

PIERGIORGIO CAZZANIGA

## VIS À VIS

The Vis à Vis collection in plantation teak invites relaxed conversation. The generous loungers connect around an integrated table, face to face or alongside each other.

The chic modular sofa is defined by low-profile, slender teak platforms, topped with broad cushions held in place by invisible supports. Slatted sidetables can be attached to the base to extend its elegant lines. Matching chairs are upholstered in a light and airy Canax® weave.

STUDIO SEGERS

# NATAL ALU

The Natal Alu sofa displays Tribù's design and technical skills with a slender, minimal frame and generous, water repellent sofa cushions.

Twenty different modules with two different seat depths can be adapted to fit any space with refined elegance. The wide range in fabrics adds to the flexibility of this timeless design sofa. The Natal Alu dining chairs continue the theme with seats that appear to float within a light frame.

## KOS / PURE SOFA

The Kos and Pure Sofa collection share the warmth of smooth Javanese plantation teak and a clean, simple design. The gentle curve of the Kos chairs and their deep seats provide an excellent seating comfort.

The finely balanced proportions of the Pure Sofa are offset by soft, deep sofa cushions, which come in two designs and an array of luxury outdoor fabrics. The five modular elements can be combined as desired to create welcoming seating areas.

## BRANCH

Just as sunlight filters through the branches of a tree, so it illuminates the Branch collection. Slender legs and lattice seats give Branch a lightness and delicacy, while the clever design and hi-tech materials make the collection highly comfortable and durable. "Branch strengthens the emotional connection with nature. It creates a feeling of respect and fascination with the natural environment," says designer Manel Molina.

BRANCH SIDECHAIR & DINING TABLE Ø 125CM IN WENGÉ, TABLETOP IN GRANITE.

MERCKX & MAES

# ILLUM

The Illum collection refines and reworks the essence of Scandinavian furniture design. Belgian design duo Merckx & Maes has created a line of finely proportioned pieces based on the pure and graceful curves of traditional wooden furniture. The collection is made of durable coated aluminium, allowing the designers to create a slender silhouette with a solid, weather-resistant metal.

VINCENT VAN DUYSSEN

# NEUTRA

There is a quiet beauty in the modern chic Neutra collection, an attention to detail that becomes apparent beyond the first impression of the simply defined contours of each piece.

Seamless triangular frames give the illusion of ultra-thin metal supports, while in a touch of sober elegance, the Batyline seats are discreetly edged with weather-proof faux leather.

FABIAAN VAN SEVEREN  
STUDIO SEGERS

# MIRTHE

With minimalism the genius is in the detail. The clean lines of the Mirthe Collection appear to flow into each other seamlessly. Table legs fold perfectly around the table top and chair backs are an elegant curve sweeping down into the legs. Nothing is hidden in Mirthe's vision.

MONICA ARMANI

## PAVILION DAYBED

Capture sunshine and shade with the Pavilion Daybed. The classic canopied bed has been updated with a slimline powdercoated aluminium frame. The daybed can be personalised with a choice of sheer curtain fabrics and paint finishes, while the back and ceiling come in teak slats, aluminium slats or Sunvision. The roof in Sunvision can be moved to enjoy the sun to the fullest.

## MONSIEUR TRICOT

Belgian designer Ilia Eckardt grew up immersed in the Belgian fashion scene, experimenting with innovative knitting techniques and materials. His weatherproof, handmade globe and drop lights give a warm glow and cast beautiful shadows. Different shapes, textures and colours are the perfect compliment to Tribù's furniture.

Light and airy, the Nodi chair's form and silhouette are characterized by twisted-interlaced rope in weather resistant Canax®, stretched across a precise geometric wireframe. Pared back, refined proportions and a minimalist approach to materiality lend a casual lightness to the collection. The slim profile of the arm is angled slightly inward in a welcoming gesture.

From a length of 500cm or more, a third leg will be added.

Minimalism with a playful twist. The legs are welded seamlessly in the length in an angle of 90° and are integrated in the top in a curved line to create a soft, friendly look. The frame, made out of one aluminium plate with a 6 mm thickness, is powdercoated with ultra-durable structure lacquer for optimal weather and scratch resistance, and a nice matte look.

The Tosca tabletop consists of ceramic laminated on glass, water jetted in an oval shape and then CNC-milled. The delicately clouded pattern is coloured in the mass. Together with the round shape of the table legs in powdercoated stainless steel this exceptional oval shape gives the table a very high-end look.

The elegant Nox table features a top from handcrafted glazed lava stone. The stone's reflective nature and natural imperfections add a unique quality to the table. Once glazed, the stone is both heat, water, UV and stain resistant. Despite the heavy stone top, the table has a slender structure thanks to the strength of the durable frame in powdercoated stainless steel.

Still water disturbed by a breeze is the visual reference for the T-Table. The light-reflective, hand crafted glazed lava stone top mirrors the sky and adds a unique quality with its naturally occurring imperfections. The glazing, adorned with a subtle crackle finish, makes the stone heat, water, UV and stain resistant. The pure and simple form of the T-Table is designed to fit harmoniously with other furniture in the Tribù collection.

The elegant Tao table collection is a lesson in perfectly balanced contrasts – bold sculptural pedestals and slim table tops that are pleasing to the touch. Designer Monica Armani has used refined lightened concrete to give a look of elegant solidity. The dining table has a central pedestal, which supports a finely milled round table top. The Tao tables come in natural linen and warm wengé tones to create striking centre-pieces for any setting.

The deep cushion of the Nomad easy chair is stitched to cocoon the body, folding over the armrests and moulding into the broad curve of the backrest. Designer Monica Armani used what she calls 'noble teak wood' for its warmth, smoothness and strength. Slender legs and contoured armrests give the chair its elegant profile and the smartly stitched cushion is as luxurious as it is comfortable. Nomad, like its name, works well wherever it is placed, in combination or as a stand-alone piece.

The elegant Tao table collection is a lesson in perfectly balanced contrasts – bold sculptural pedestals and slim table tops that are pleasing to the touch. Designer Monica Armani has used refined lightened concrete to give a look of elegant solidity. The coffee table plays tricks with symmetry by setting the finely milled square table top off centre. The Tao tables come in natural linen and natural wengé tones to create striking centrepieces for any setting.

The rugged basalt columns of the Giant's Causeway in Northern Ireland were the inspiration for the Hexagon side table. It comes in a variety of heights and sizes, like the basalt columns, which makes a strong statement when grouped together. A cosy design in warm, natural materials. The innovative Tri-cord® yarn used for the back of the bar stool has been designed exclusively for Tribù. The polyester core provides strength and stability, while the combination of nautical fibres (polyolefin) creates a surprisingly soft look and touch, ensuring nevertheless resistance to all outside influences: frost, water, fungi and UV-rays. The backs can be replaced separately. The beautifully finished round edges of the party table gives it a friendly and soft look. The teak is of the best quality you can find. CTR is characterised by a tube in powdercoated stainless steel that follows the outline of the meridiene in one continuous line. The woven backrest, attached at only 2 points to the frame, ensures an outstanding back support while the slightly inclined base ensures relaxed seating. The yarn in polyolefin used for the weave, resists all weather conditions, but has nevertheless a surprisingly natural look & feel. The seat is upholstered with a water-repellent cushion which can be easily removed.

When Cazzaniga started to design the Vis à Vis lounger, he thought of a place where people could be outside and communicate with each other in total comfort. Result was a sunbed with royal dimensions and a handy integrated tabletop that is designed in a way that two loungers fit into each other. Thanks to the flexible bed base, you can lie either next to each other or opposite each other. The teak from plantations in East-Java has rounded corners to ensure a pleasant touch with your skin. Every log is handpicked during the cutting process.
